25X1 SUBJECT: Security Policy Concerning Travel and Assignment of  
Personnel With Access to Sensitive Compartmented

25X1 1. The subject policy, which I understand you are reformatting for  
issuance as a DCI Directive, includes an appendix listing countries and areas  
in which visits, travel and assignment are considered to be a hazardous  
activity. At the 7 March 1984 meeting, Security Committee members unanimously
